Attorney-General Finds No Cause for Action by Federal Authorities
Under Antitrust Laws.

CHARGES MADE BY N. Y. SUN

ciation shall not furnish the news col-lected by them to any one outside the association, and on the restrictions as

WASHINGTON, March 17.—Attorneylicheral Gregory, in a letter addressed by James M. Beck, counsel for the Sun several States is interstate trade The ting and Publishing Association of the York, holds that there is no found for action by Federal authorises against the Associated Press under the antitrust law.

The atternation of the Sun bers from purchasing or otherwise obtaining news from a rival agency would be. I think, a restraint upon interstate trade or commerce and an attempt to monopolize. The contention that the Associated Press has imposed such a regulation upon its members from purchasing or otherwise obtaining news from a rival agency would be. I think, a restraint upon interstate trade or commerce and an attempt to monopolize. The contention that the Associated Press has imposed such a regulation upon its members from purchasing or otherwise obtaining news from a rival agency would be. I think, a restraint upon interstate trade or commerce and an attempt to monopolize. The attorney-general's letter, dated such a regulation upon its membership, or at least has the power to do so, has a foundation in section 7 of Article VIII. of the by-laws, which reads

r alleged violations of the Federal very difficult, if not impossible, to attrust act presented to my prefor alleged violations of the reaction and the state of the first act presented to my pre-antitrust act presented to my pre-decessor by you as counsel for the Sun Printing and Publishing Associa-tion, or to detect or prove any such violation, if the members are permit-ted to purchase news from other asso-lation, and that such purchase may "The Associated Press was organized clations, and that such purchase may be seriously prejudicial to the interest and welfare of this corporation and its members, the board of directors may, in their discretion, forbid the mem-

conomy and efficiency, of information that the purchase or receipt of news and intelligence for publication in the ewspapers owned or represented by them. corporation by a member or any other OF ASSOCIATION
STATED IN CERTIFICATE
tests of the association

action by such member, establishes a condition that will be likely to permit the news of the corporation to be dis-The objects of the association as ated in the certificate are:

"To gather, obtain and procure by sown instrumentalities by exchange ith its members and by any other ap-

the same to its members.

The president of the Associated Press states that the power reserved in this by-law has not been exercised. As I understand the complainant, it disputes that assertion. It is not necessary, however, for me to determine that issue of fact, since my conclusion is that this by-law, whether it has been enforced or not, should be abrogated, I am advised by the president of the Associated Press that this will be done. sociated Press that that will be done promptly

"The following resolution of the board of directors of the Associated Press is also pointed to as an obstacle in the way of the members of the As-

The sole or the part owner of a operator of any other news gathering ewspaper, or an executive officer of a of an Associated Press paper is a step properties, limited liability company which establishes a condition which orporation. Himited liability company rights took or other association which is the owner of a newspaper half be eligible as a member of this orporation to be sclosed to unauthorized persons, and so endan proporation in the way and upon and abject to the conditions and limitations hereinafter specified, provided and welfare of this corporation and its members, and the board of direct message of the proporation of the companion tors, by authority of the by-laws, here torn with any one newspaper. MINIATURE ALMANAC.

March 18, 1915. HIGH TIDE:

WILL SEEK TO PREVENT MALARIA IN SOUTHSIDE

State Health Officers Begin Active Spring Campaign to Prevent "Chills and Fever."

Dr. J. Thompson Booth and Dr. W S. Keister, special inspectors for the State Board of Health, left Richmond yester-

"Now that the carriage of malaria by the anopheles mosquito is known, it is possible, by general co-operation, it is possible, by general co-operation, to control and, sometimes, virtually to eradicate the disease. The insquito does not play the same 'ole in the transmission of malaria that the fly plays in spreading typhoid. The fly plays in spreading typhoid. The fly carries disease germs on his feet; the mosquito sucks the parasites of ma-laria from the blood of the sick per-son and injects them into the blood of any other person the mosquito may bite. It is necessary, in preventing malaria, to keep mosquitoes from breeding, to keep those who have malaria from infecting the mosquitoes, to treat them so that after they have ceased having chills, no parasites will remain in their blood, and to protect

healthy persons from the bites of mos "Handleap of Temperament."

The "Handicap of Temperament" will be the topic of a sermon by Dr. Thomas A. Smoot to-night at the special serstandards, and in this we have fell that we were succeeding—so far as it is humanly possible to succeed.

"It is not the custom of the Associated press to either shriek for or shrink from investigations of any of its activities—if fair we are content."

A. Smoot to-light at the special services being held at Centenary Methodist Church. Mr. and Mrs. E. H. Clowes will render appropriate vocal selections at the meeting. REAL ESTATE RECORD AND COURT CALENDAR

Trading in Local Realty Develops Several Sales of a Good Size.

FAHED AND BLAKEY TRADE

Store at 602 West Broad Street Is Exchanged for West End Property in Transaction Involving \$47,500. Building Operations Improving.

Trading in local realty yesterday was good. Several sales of a goodsize developed and small property was active. The deeds of trust indicate indications are that business will continue to improve. A feature of the business yesterday was a trade be-tween John and George Fahed and B. H. Blakey. The Fahed brothers transferred to Blakey the brick store at 802 West Broad Street and Blakey conveyed to them forty-five feet at the southwest corner of Leonard Street and the Boulevard. The amount involved in both transactions was \$47,

Building operations continue to in-Building operations continue to increase. A permit was issued yesterday to B. H. Melton to build four dwellings on the south side of Park Avenue, between Elm and Addison Streets, that will cost \$16,000. O. J. Davis will build a two-story brick tenement, four dwellings, on the east side of Elm Street, between Park and Stuart Avenues, at a cost of \$11,000.

J. A. Connelly & Co, reported yesterday the closing of eight sales in the last eight days. Among the sales was that of a tract of 209 acres, known as the Spring Hill Farm, two other farms and city property. "The terms of payment on these sales," said Mr. Connelly, "average 68 per cent cash, indicating a very stable real estate market. These purchases were for homes or investments." market. These purchases were for homes or investments."

Baby's Happiness Depends On Health

- Cross, fretful babies usually need a laxative to make them comfort able, and comfort begets happiness Constipation is the cause of much discomfort. Mothers should watch closely the condition of their children's bowels and see that they are regular.

A mild, pleasant tasting laxative such as Dr. Caldwell's Syrup Pepsin, is ideal for children because of its natural composition and gentle action, and because it contains no oplate, narcotic or other harmful habit-forming drug. Dr. Caldwell's Syrup Pepsin is sold by druggists everywhere. A teaspoonful at bed-time will bring easy, certain relief. A free trial bottle can be obtained by writing to Dr. W. B. Caldwell, 452 Washington St., Monticello, Ills.
